

## 1st German-Italian Conference for Clinical Seminars

### Save the date

Dear colleagues,

The first German-Italian conference with the participation of SPI, AIPsi, DPV and DPG will take place on October 10/11, 2025 in Munich. It will be organized by the DPG and DPG-AG Munich. There will be 30 places available for Italian colleagues and 30 for German colleagues. There will also be a group for 20 candidates (10 Italian and 10 German candidates each).

On Friday evening we will listen to and discuss a presentation by a German colleague. The panel will be chaired by an Italian colleague.

In order to get to know our respective working methods better, on Saturday we will work clinical cases in four groups of 15 colleagues and one candidate group of 20 candidates. Eight colleagues (one Italian case presentation and one German case presentation per group) and two candidates will therefore be able to present their cases.

The conference language will be English. However, there will be colleagues in each group who have a good knowledge of Italian and German, so that translation will be possible if necessary.

The costs for the entire conference are expected to be around 200 euros per person and around 100 euros for candidates. The conference will take place at the NH Collection Hotel. There we have reserved a room contingent of approx. 165€ (double room with breakfast), which can be booked individually by you (English <https://www.nh-hotels.com/en/event/dpg-2025> German <https://www.nh-hotels.com/de/event/dpg-2025> ). The Hotel Sofitel Munich Bayerpost is located in a beautiful old building within walking distance. You can make an individual booking (<https://www.sofitel-munich.com/de> ). A cheaper hotel accommodation of about 100.-€ at about 10 minutes walking distance is the Senator Europe Hotel Munich (<https://www.europe-hotels-international.de/senator-europe/hotel> ). There will also be the possibility to stay privately with colleagues.

Geschäftsführender  
Vorstand der DPG e.V.

Travel costs to Munich range between €60 and €70 by Flixbus from Bologna, Rome and Florence or between €120 and €180 by train if booked early. Direct flights are available from Florence and Rome for around €200 if booked early.

On Friday evening we would like to enjoy Bavarian cuisine together in a restaurant and on Saturday evening there is the possibility to organize cultural activities or other activities individually or together. We are happy to help with this. We are all very much looking forward to this premiere and would like to show you Munich from its most beautiful side on Sunday, if time permits.

Further information and registration options will follow. This is a first information for your planning.

With best regards

A handwritten signature in blue ink, appearing to read 'Ekehard Pioch', written in a cursive style.

Eckehard Pioch

President of the German Psychoanalytical Society (DPG)
